

# **CINSIA BRISTOL, MS, PMP, SMC**

Transformational Program Leader | Driving Strategy, Modernization & Operational Excellence Across Government & Healthcare  
Fayetteville, GA | Remote | cinsiab@hotmail.com | (404) 210-3187

## **LEADERSHIP IMPACT SUMMARY**

- 15+ years leading enterprise-wide transformation and modernization initiatives across federal, healthcare, and public health sectors.
- Directed \$100M+ in strategic portfolios, optimizing governance, automation, and performance across multi-center environments.
- Delivered measurable 30%+ operational efficiency gains through digital modernization, process engineering, and strategic execution.
- Trusted executive advisor recognized for fostering alignment between mission, technology, and people — enabling sustainable growth and impact.

## **EXECUTIVE SUMMARY**

Vision-driven executive program leader with over 15 years of experience guiding enterprise-wide transformation across public health, healthcare, and government organizations. Specializes in turning complex programs into measurable outcomes—building strategies that modernize operations, optimize costs, and empower cross-functional teams to deliver lasting impact.

Recognized for fusing servant leadership with strategic execution, I create alignment between mission, technology, and performance. My approach blends digital modernization, automation, and human-centered change management to help organizations thrive through disruption and transition.
