Strategic Enterprise Project Manager | Platform Migrations | Change Management | PMO Leadership

PROFESSIONAL SUMMARY

Strategic and technically adept Enterprise Project & Program Manager (PMP, CSM) with 15+ years of experience leading large-scale cross-functional initiatives across technology, operations, and compliance. Renowned for bridging the gap between executive vision and technical execution—driving enterprise transformations, complex platform migrations, and organization-wide change. Adept at managing distributed teams, resolving conflict, and gaining alignment in high-resistance environments.

KEY ACHIEVEMENTS

- Delivered a \$250M Salesforce integration in only 6 months with a small internal dev team during the early stages of the COVID-19 pandemic.
- Directed multi-year human and technology transformation programs, improving organizational efficiency by ~30%.
- Established PMO frameworks across multiple departments, increasing project visibility and reporting accuracy by 40%.
- Led federal healthcare compliance implementation impacting millions of member claims and multiple third-party systems.
- Recognized presenter at Smartsheet User Conference (2019) for innovation in project portfolio reporting and automation.

CORE COMPETENCIES

Program & Project Leadership • Cross-Functional Collaboration • Platform Migration • PMO Development • Agile / Scrum / Waterfall • Stakeholder Alignment • Change Management • Risk & Issue Management • Process Optimization • Strategic Roadmapping • Vendor & Partner Management

Tools: Smartsheet, Microsoft Project, Jira, Confluence, Salesforce, Primavera P6, Power BI, MS Office Suite

PROFESSIONAL EXPERIENCE

Christopherson Business Travel – Murray, UT

Enterprise Program Manager | Dec 2021 – Present

- Lead multiple concurrent programs supporting a multi-year transformation initiative across technology, human systems, and operations.
- Drive organization-wide modernization through platform upgrades, process redesign, and data-driven performance tracking.
- Manage diverse, distributed teams across departments to maintain project momentum within aggressive timelines.
- Introduced structured portfolio dashboards and KPIs using Smartsheet, improving transparency and accountability by ~35%.
- Recognized by executives for conflict resolution and ability to maintain productivity through resistance to change.

Collective Health – Lehi, UT

Senior Strategic Project Manager | Aug 2021 – Dec 2021

- Oversaw high-visibility initiatives implementing federal healthcare transparency and billing compliance across internal systems and partner platforms.
- Coordinated with engineering, operations, and external vendors to deploy multi-system process and application changes.
- Implemented compliance workflows integrated into core member applications, achieving full readiness for new regulations.

DealerSocket – Draper, UT

Senior Strategic Project Manager | Jul 2018 – Jul 2021

- Led enterprise-scale initiatives including Salesforce CPQ upgrades, corporate software integrations, and PMO establishment across operational teams.
- Executed a \$250M Salesforce integration project within 6 months—100% remotely—improving sales efficiency and data alignment.
- Designed PMO reporting dashboards, templates, and tools adopted companywide, reducing project reporting time by 40%.
- Mentored new PMs and developed department-specific project management training programs.

Summit Line Construction (A Quanta Company) – Heber City, UT

Estimator | Sep 2016 – Jan 2018

- Created project cost estimates, schedules, and WBS structures for large-scale power transmission and substation construction projects.
- Won the company's largest-ever project (\$43M) by delivering a data-driven, cost-optimized proposal.
- Developed Agile-informed estimating workflows improving bid turnaround time by 20%.

Irby Construction (A Quanta Services Company) – Richland, MS

Associate Project Manager / Estimator / PM Processes Trainer | Jan 2011 – Sep 2016

- Provided project and estimating leadership for multi-million-dollar power infrastructure projects while training new PMs in Quanta's proprietary management framework.
- Managed back-office coordination between Irby and a JV partner on a \$300M project exceeding margin targets by 50%.
- Trained and mentored future project managers across the Quanta Services network.

CERTIFICATIONS

Project Management Professional (PMP) – PMI | Valid through Mar 2028

Certified Scrum Master (CSM) – Scrum Alliance | Valid through Jan 2027

EDUCATION

Bachelor of Science – Business Administration, University of Utah, Salt Lake City, UT – Dec 2009
