Education

Auburn University Auburn, Alabama

Bachelor of Science in Business Administration, August 2018

Major: Supply Chain Management, 3.54, Cum Laude

Senior Manager, UHY Consulting, August 2021-Present

- Aligned to UHY's Transformation Solutions group
- **Digital Transformation:**
 - Project Manager for a national staffing firm's implementation of custom Front Office software and Acumatica as the back-end solution: leader in functional development design, requirements gathering, data integration flows, and change management across the project
 - Key driver in Front Office-Back Office integration design, testing scripts, and reporting requirements
 - Managed & implemented a custom retirement application for one of the largest cities in North America: Helped lead the process improvement, end user interface, & UAT workstreams
 - 10+ projects experience in leading & assisting in techno-functional discovery, requirements gathering & execution, both from a management and support level for technology innovation within private & public sector environments
 - Led functional project management & execution for an ERP implementation of a \$250m accounting enterprise, secondary involvement in technical configuration and data analytics
 - End to End implementation of 8+ Acumatica, NetSuite, and other ERP projects, integrating with CRM, MES, and MRP
 - Daily driver of change management strategy across project lifecycles
- **Finance Consulting:**
 - Cash Application: one of four team members to apply over \$35m of unapplied cash for one of North America's largest staffing firms; personally responsible for working across 5 different clients to observe processes, perform quantitative data analytics, and finally to apply cash accurately
 - Frequent work in modernizing accounting processes across several clients using outdated software & processes in the Procure to Pay, Order to Cash, FP&A, and Consolidation spaces
 - Implementation of sales tax software and integration with the corporate back-office systems
- **Executive & Strategy Consulting:**
 - Drove a Disruptive Strategy venture, using market research & innovation strategies, that resulted in a master investment plan for positioning into new markets by 2040
 - Frequent contributor across system stack assessments, reviewing CRM, ERP, Legacy Applications, along with engineering systems and integrated capabilities
 - Key player in a Strategic Sourcing initiative which analyzed client procurement process & financials, led innovating sourcing initiative, produced RFQ's, and proposed future state procurement plan
- Daily involvement in Business Development: RFP responses, sales calls, SOW's, and project scoping
- Trained in PMI/PMP Methodology
- *Promoted to Consulting Manager in December 2023*
- *Promoted to Senior Manager in June 2026*

Applications Consultant-Senior Consultant, Capgemini, Atlanta, Ga, August 2018-August 2021

- Frequent implementation work on Oracle OTM along with extensive training on this application
- Led multiple go-live efforts for a large soft drink provider for a TMS cloud move from on-premise, demonstrating new functionality for 6 global VP's
- 6-month assessment for a global telecom provider to provide TMS cloud upgrade feasibility
- Performed a 7-week assessment for a large 3PL to assess automation potential within their client onboarding team, often delivering client specific solutions
- *Promoted to Sr. Consultant in January 2021:* New role within Capgemini's Application Management Center of Excellence
- Responsible for driving pipeline generation & reporting across all Market Units
- Managed RFP response process for strategic accounts: \$15M or less, 2 weeks or less turnaround

Involvement & Extracurriculars

- Auburn University Young Alumni Council, Chair of Student Support
